## Content presented:

A seminar on career counselling was conducted for Bcom students by Mr.Nawazulla. Assistant professor Baldwin Methodist College on 17<sup>th</sup> August 2017.

## What is career counselling?

Career Counselling is a process that will help you to know and understand yourself and the world of work in order to make career, educational, and life decisions. Career development is more than just deciding on a major and what job you want to get when you graduate.

Career counselling helps to assess the development of career paths from time to time. It helps you to understand your own goals and share it confidently. This shows the employer that you are passionate about. Career counselling helps you maintain that passion and become the person you intended out to be.

## Career opportunities for Bcom graduates:

### **1. Master of Commerce (M.Com)**

M.Com is a postgraduate course specially designed for B.Com pass outs to give them more tools and in-depth knowledge. This post-graduation course is for 2 years, best for students who wish to polish their skills more and get insight on how to apply their theoretical knowledge correctly in the professional world.

### **2. Chartered Accountancy**

## What is career counselling & Competitive Examinations?

Career Counselling is a process that will help you to know and understand yourself and the world of work in order to make career, educational, and life decisions. Career development is more than just deciding on a major and what job you want to get when you graduate.

Career counselling helps to assess the development of career paths from time to time. It helps you to understand your own goals and share it confidently. This shows the employer that you are passionate about. Career counselling helps you maintain that passion and become the person you intended out to be.
