## 7. EPIC CULTURAL EVENT

### EPIC Report

The EPIC 2022 was organized for the Baldwin Methodist College students from July 18<sup>th</sup>- July 22<sup>nd</sup> 2022. The word EPIC was an acronym for different days observed throughout the week i.e; Environmental Day, Peace Day, Inspiration Day and Creative, Youth and enthusiastic Day. The intra collegiate fest revolved around the topic “Unity in Diversity”. The topic was chosen to make the students be aware that the Indian society has a diversified culture yet the unity is seen in them.

Day one was observed as Environmental Day, the day reminded the students that mother earth is indeed important and every individual must develop a sense of stewardship in taking care of her. The events organized for the day were Photography and Face painting. The event witnessed a participation of around 50 students and the best performances were finalized through the judge’s decision as the first three winners. Day two was observed as Peace Day, the day that reminded the students about the calm and composed behavior and the perks of maintaining them in everyday lives. The day had two events i.e., wealth out of waste and college. The college had a theme “Incredible India”. Both the events had a registration of around 60 students. Day three was observed as Inspiration Day and the events organized were Mehendi and essay writing. Day four was observed as Creative, youth and enthusiastic day. The event organized for the day was cooking without fire. Overall, the participants for various events had several judges and out of which the top three contestants were declared winners from each event.

The final day was seen as an ethnic day and all the students had dressed up according to their ethnicity. The day reminded the youths about the several ethnic that the Indian country richly possesses. Thus, overall, the theme “Unity in Diversity” made a self-awareness in the minds of the students that unity is indeed a strong contestant for a stronger nation building irrespective of the diversified culture among the citizens.
